

El Camino Real District 20

Used Cell Phone Drive

Take your old obsolete cell phone and *put it to work* on behalf of our youth programs. The Order of Ahepa, El Camino Real District 20 is collecting used cell phones between now and September 1, 2004 for the benefit of Ahepa Youth Programs including the Ahepa Scholarship Foundation. The Order of Ahepa, El Camino Real District 20 will receive a monetary donation for each phone received from a Charitable Recycling, a national organization that has been featured in Consumer Reports and Fox News. The phones will be recycled and sent to areas with economic necessity. Some phones will also be refurbished and given to those who are in need of 911, emergency only, communications. Cell phones contain many toxins and are very hazardous to our environment and they should not end up in landfills. Donations are accepted regardless of the age or working condition of the phones.

To participate, please inform your members, friends and families and read the attached "FAQ" (Frequently Asked Questions).

If you have any questions please contact John Pappas III, the drive coordinator at 619.757.8684. Thank you for your participation.

FAQ

- Q: What kind of cell phone will be accepted for recycling?
A: Charitable Recycling is the only program of its kind to accept any used cell phone - regardless of age or condition. This means the collected phones need not be in working order. You do not have to include the phone charger. Make sure your service is cancelled on the donated phone.
- Q: What is the first thing I need to do?
A: Get the word out to your members, friends and families and designate a person in your chapter to collect the phones. Please have that person get in contact with John Pappas III, the Drive Coordinator at 619.757.8684 or jpappas@cox.net.
- Q: Once I've collected the phones what do I need to do?
A: Provide each donor with one of the attached tax donation receipts.

If you have collected more than 50 phones, have the chapter contact call John Pappas III, the Drive Coordinator at 619.757.8684 or jpappas@cox.net. Through the recycling organization, John will arrange for a pre-paid mailer to be delivered to you.

If you have collected less than 50 phones, please mail them to:
