

April 28, 2004

Dear Brother AHEPANS,

Every year the Sons of Pericles and the Maids of Athena join forces in assisting in the mission of a charity that we feel embodies the principles of the AHEPA family. Keeping with the ideals of civic consciousness, we have chosen a charity which helps mankind and gives back to homeland of Greece.

We have chosen an organization that focuses on the rural areas of Greece in fighting against human suffering and misery. Γιατροι του κοσμου (Doctors of the World) is an independent, non-governmental, humanitarian, international organization. That works at providing vaccinations and other important medical attention to those areas where proper medical attention is not available and for those who cannot afford it. Like the AHEPA family, Doctors of the World strives to improve the lives of Greek citizens.

This year the Sons of Pericles and The Maids of Athena have set a combined goal of raising \$10,000 dollars. We have challenged every chapter to raise \$250, while the challenge calls out to the larger chapters with a goal of \$500. We now ask for your support in our endeavor. Last year we donated \$10,000 to the Make-a-Wish-Foundation of Greece and we would like to reach our goal again this year.

Any monetary support from you, our brother AHEPANS, is greatly appreciated. 100% of the money we raise for the National Project goes directly to Doctors of the World.

Checks should be made out to: *Sons of Pericles Supreme Lodge*. Please make every effort to postmark them by June 15, 2004. Donations can be sent to either Dino Mitsios or Andy Ruboyianes.

For more information, or to make a donation, please contact either the Chairman of the National Project or the Supreme President of the Sons.

Thank you for your continued support of the Sons of Pericles.

Fraternally,

Andy Ruboyianes
